TAKANO AI
A teacher in "Tori no Ko" cram school
After confessing his feeling to Mashiro, it turned out that they're siblings
SERIKAWA MASHIRO
Third year in Middle School
She's studying in the "Tori no Ko Cram School" and loves Ai.

The story so far:

Mashiro is always alone, until she meets Ai, and his kindness touches her. She then starts to think she can "love herself" and "change".

Mashiro opposed her family and moved from the cram school her stepfather manages to Tori no Ko

Ai comes to realize that he loves Mashiro.

However, Ai's attitude toward Mashiro suddenly changes?

Mashiro feels that Ai is letting her go on purpose, but he won't tell her the reason why, which makes Mashiro worry.

Ai rejects Mashiro's feelings for him, but after a while the two are finally able to tell each other how they felt.

However, just when Ai and Mashiro are finally in the Eden they've expected, fate has played its cruel hand.

As it turns out, they are siblings who were separated for a lifetime. Mashiro doesn't understand at all, when her mother tells her to stop meeting Ai after visiting Tori no Ko Cram School.

To make sure of her feelings, early in the morning, she sneaks out of her house, and goes to Ai's house?!

TAKANO SATSUKI

Mashiro's classmate and Ai's younger brother
A student at Tori no Ko Cram School.

SERIKAWA SHUUTO

Mashiro's stepmother. Cool in general.

MASAMICHI NAO

Tori no Ko Cram School's stand-in principal.

MISAWA KAYO

Mashiro's classmate. A student at Tori no Ko Cram School

HANAMURA NONOKA

A student at Tori no Ko Cram School. Third year in high school. Currently in a long-distance relationship

Hey, you! Stop thinking, and just come join Midnight Scans!!
Atty has gone loco ever since she started brainwashing kids' minds.

Eden's Recipe

Even though no one has requested this, since this is the end...

I'll show the character creation to the public!

And...

THIS SERIES HAS FINALLY COME TO AN END!

HELLO EVERYONE! I'M YOSHIOKA RIRIKO

during the summer I wear a long glove

HEY! YOU HAVE MY CHARACTER DESCRIPTION TOO RIGHT?!

Since there are a lot of people it's going to be long, but please bear with me...

IS IT TRUE THAT INITIALLY MY MOTHER WAS SUPPOSED TO BE SENSEI'S EX-GIRLFRIEND?

IS IT TRUE THAT THE HERO OF THIS STORY WASN'T SUPPOSED TO BE ME?

IS IT TRUE THAT YOU HAD INITIALLY PLANNED ON MY DATING TAKANO-KUN?

SOMEHOW THIS ISN'T GOING AS PLANNED...

...Now that I think about it,

FIRST CHARACTER PROFILE: PROTAGONIST: FEMALE (15 YEARS OLD. 3RD YEAR OF MIDDLE SCHOOL)

Ever since she was little she has always worried how others saw her, so she has lived her life trying not to be a bother to others. She is conservative about everything and doesn't express her feelings very often. She's not good at acting spoiled or relying on others. She hates the cold feelings she gets from her home and her father's cram school, so she wants to leave home soon.

Even though she has a strong personality she is lonely but she's not very good with expressing her feelings or expressing herself in words. There is one sparkling memory that she keeps in her heart and that memory is what supports her. Although she likes Takano (younger brother) who is in the same class as her, she is not quite sure if she truly likes him or not. It's more like he's a "good" guy. She thinks that it might be because he kind of looks like the boy from her memories. And then she starts to fall in love with Takano (older brother)... She hates her older brother who is a year older than her. Ever since they were little he has always teased her. Anyhow her older brother is her step-brother, so they are not blood related. Since she doesn't have many friends, she is happy that she made a female friend at cram school.

Serikawa Mashiro

Seems like someone whose blood type is A and born in January.

Her eyes are round shaped.

Her hair color is white.

She prefers cats to dogs.

Modest.

Not good bonding with others.

She is tricky.

She is not skillful at styling her hair.

She doesn't laugh.

When she gets nervous she speaks Japanese clumsily.

She doesn't do any sports.

She collects snowman figurines.

Right now she likes her hair short!

Since she's still young, she has no problems waking up or going to sleep.

Since she is in junior high school, she'll wear a sailor uniform.

Even if she drops something from her desk, she doesn't pick it up right away.

She is kind and quiet.

Although she likes the outdoors she usually stays indoors.

She spaces out a lot.

Long neck

Her hair is puffy

About 157 ~ 160 cm tall

a slender female junior high student

Her skirt is right above the knee

ISN'T THAT BECAUSE YOU NEVER PLANNED IT ?

BUT I DID DRAW THE UNIFORM CUTELY

Not the point

Hmm

YOU WERE SUPPOSED TO ACT MORE MATURE. BUT WHY DO YOU ACT SO CHILDLIKE ?

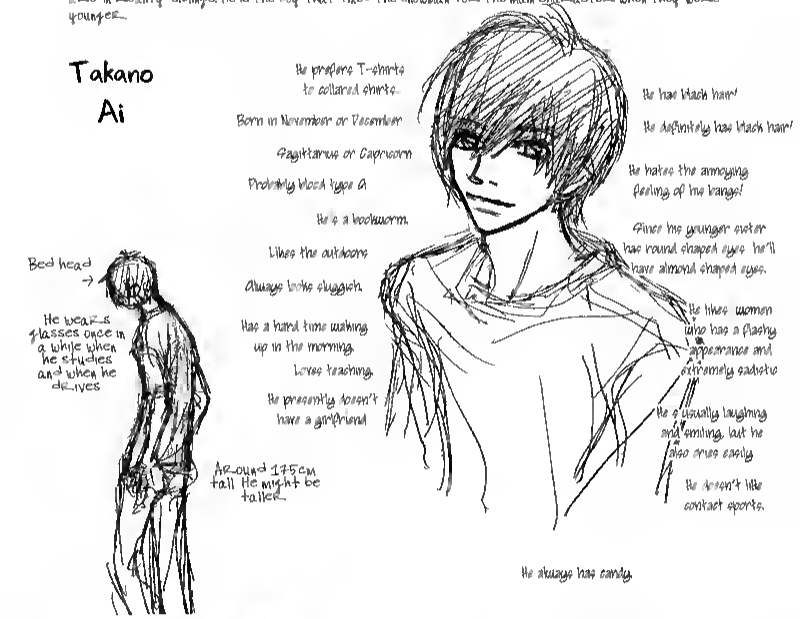
IN REALITY, YOUR CHARACTER WAS SUPPOSED TO DATE SATSUKI AND THEN BREAK UP WITH HIM

* Anyhow, during the creation stage "a lot" of things change.

SECOND CHARACTER PROFILE: TAKANO (OLDER BROTHER), (20 YEARS OLD, COLLEGE STUDENT)

The son of the principal of a private school. He seems to be the quiet gentle type who is good at taking care of others. He seems like the type who would accept anyone, but he distances himself from others and doesn't like letting people get to know him. He especially distances himself from the main character by being extremely cold to her, although there are also times when he is extremely kind to her. There was a girl who came into the bookstore almost every day that he was interested in, but after he found out what her name was he kept his feelings for her deep inside his heart. He has a good relationship with his brother. There are times when he wants to support his younger brother's love life and there are times when he wants to interfere in it. When he was nine years old and his younger brother was four years old the older brother's father and the younger brother's mother got married and they all became a family.

After-wards, a younger sister was born. The truth is Takano (older brother) and the protagonist are in reality siblings. He is the boy that fixed the snowman for the main character when they were younger.



Takano Ai
He prefers T-shirts to collared shirts.
Born in November or December
Sagittarius or Capricorn
Probably blood type A
He's a bookworm.
Likes the outdoors
Always looks sluggish
Has a hard time waking up in the morning.
Loves teaching.
He presently doesn't have a girlfriend
Around 175cm tall. He might be taller.
He has black hair!
He definitely has black hair!
He hates the annoying feeling of his bangs!
Since his younger sister has round shaped eyes, he'll have almond shaped eyes.
He likes women who has a flashy appearance and extremely sadistic
He's usually laughing and smiling, but he also cries easily
He doesn't like contact sports.
He always has candy.
Bed head →
He wears glasses once in a while when he studies and when he drives

* T/N: Accordi g to Japa ese belief people with type A blood are likely to be perfectionists.
So
YOU'RE THE TYPE THAT LIKES TO KEEP A SCHEDULE, BUT CAN'T SEEM TO FOLLOW IT CORRECTLY
THAT'S NOT TRUE. I HAVE TYPE A BLOOD
Just my feeling
I WONDER WHY, BUT SOMEHOW YOU SEEMED MORE MATURE DURING THE INITIAL STAGE!
Bah~
The sadness in the past comes~
THE TRUTH IS YOU WEREN'T SUPPOSED TO RETURN TO JAPAN ORIGINALLY. YOU WERE SUPPOSED TO BE THE PERFECT HERO AND THE PERSON MASHIRO ADMIRED

THIRD CHARACTER PROFILE: TAKANO (YOUNGER BROTHER). (15 YEARS OLD, 3RD YEAR OF MIDDLE SCHOOL)

He has a bright cheerful personality and is popular with his classmates. But he's not good in the love area so he can be a little blunt when dealing with girls. Although he likes the protagonist he says, "he doesn't like her." because his friends tease him about it. He tells girls that he doesn't like them first because he can't deal with a girl telling him that she "hates" him, but then he regrets saying it and doesn't know how to interact with them afterwards. He loves his older brother. However, there are times when he gets jealous of him (but he hasn't gotten jealous since girls entered the private school) Since he's simple by nature he isn't one to act in a confusing way.

Even though he likes the protagonist he enjoys spending time with his male friends more. He is spoiled since he is the younger brother. He is close to the vice-principal of the cram school. He is not related to his older brother by blood. He has a younger sister who is 4 years younger than him.

Takano Satsuki

← Skinny

Height is around 165 cm.

He has black hair, but it's oily.

He seems like the type to be extremely popular with the mothers!

He wears a gakuran since he's in junior-high school. (gakuran = the traditional male uniform that is usually black with a standing collar buttoning down from top to bottom)

He has a cute face and a masculine personality.

He's good at math.

He has almond shaped eyes.

Blood type O

Seems like the type to go at his own pace and has a sense of stability.

Born in April or June

Seems like the type to be a school committee chairman. Looks like he might like baseball.

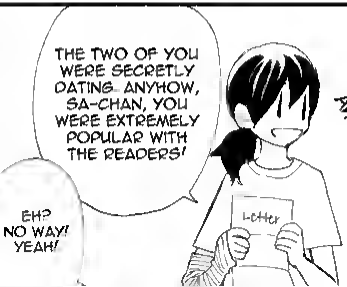
He likes to play sports that involve everyone.

He can turn into a spoiled brat in an instant.

Up until now, he's never gotten mad.

He's not dependable.

He doesn't like girls telling him that "he's cute"



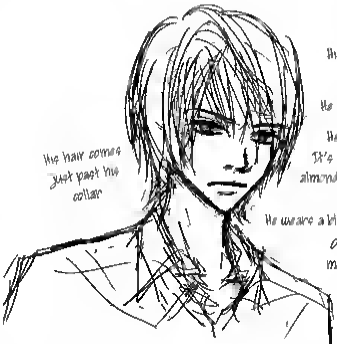
THE TWO OF YOU WERE SECRETLY DATING. ANYHOW, SA-CHAN, YOU WERE EXTREMELY POPULAR WITH THE READERS!
EH? NO WAY! YEAH!
Letter
WHEN I WAS SUPPOSED TO BE DATING HER?
WHY WOULD I TELL EVERYONE THAT, "I DON'T LIKE SERIKAWA."

FOURTH CHARACTER PROFILE: PROTAGONIST'S OLDER BROTHER (16 YEARS OLD, 1ST YEAR HIGH SCHOOL)

His brother who is two years older attends a boarding school but due to certain circumstances he didn't attend the same school. Since he's smart he's attending an excellent high school. He's liked his younger sister ever since they were little. He teases his younger sister because he is extremely shy and he can't be honest with his feelings for her and thus became hated by her. He is extremely burdened by the fact that he is not related to his younger sister by blood.

The truth is he's an extremely nice person but when he becomes burdened or is in front of the person he likes he starts saying cruel things. Only a few of his friends know this about him. As time goes on and he interacts with the people from the cram school I anticipate that he will become nicer to his younger sister. In other words his older brother will not appear in the story.

Serikawa Shuuto



The hair comes just past his collar

His hair is white!

His hair is silky.

He always looks mad.

He has small black iris (estimate)

It's not that he has extreme almond shaped eyes but his eyes are almond shaped.

He wears a blazer since he's a high school student.

As of right now, he is probably the most childish character in the story.

He seems to be an AB blood type and born around September.

Seems like a Virgo.

People usually tell him "you look old" or "you act mature for your age."

He loves laughing.

He doesn't like competition of the intellect.

Looks like the type to do kendo.

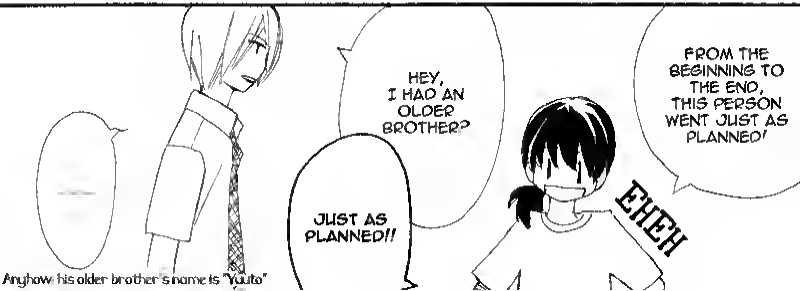
Seems like the type to be argumentative.

He sometimes stands a little slouched but most of the time he stands up straight.

He also uses his chopsticks properly.

His height is about 180 cm.

He is extremely hard on himself and he also has a naive personality.



Anyhow his older brother's name is "Youto"

GIRL (15 YEARS OLD 3RD YEAR OF MIDDLE SCHOOL)

She entered the cram school because she likes Takano (younger brother). At the beginning she's cruel to the protagonist who has a close relationship with Takano but in the end they become friends. She is a beautiful tsundere person.

Misawa Kayo

Uses dye for hair color.

Although she is extremely reserved, she is easily misunderstood because she has a gaudy face.

She doesn't like it when people tell her "That uniform doesn't look good on you." and "You're so gaudy."

In reality she is attentive dependable and willing to help others.

* T/N: Tsundere is a person who starts off serious cold or hostile towards another person before he/she slowly drops the tough front and starts showing a warmer side.

* T/N: Gaudy face: Someone with striking features. Example: Matsuken.

HANAMURA-SAN (18 YEARS OLD 3RD YEAR OF HIGH SCHOOL)

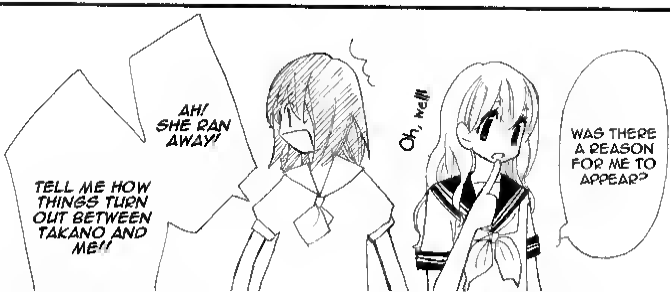
Although she looks younger than the protagonist she is actually older than her. The cute-faced character specializes in the study of mathematics and science. Although she looks like a little girl she has a boyfriend in college. Once in a while they get into fights and she tells him "I'm breaking up with you!"

Hanamura Nanako

She's extremely sweet in the ominous.

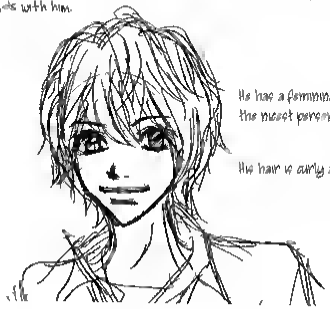
She wishes "that she would no longer look like a child."

Although she's only 147 cm tall, she is not a child.



SAGAMOTO SARA (16 YEARS OLD FIRST YEAR IN HIGH SCHOOL)

He is the younger brother of Sagamoto Karen from Kare Wa Tomodachi His first love married his older brother so now he has started to look at other girls Unlike his older brother he is popular and he is extremely clear when he rejects a love confession up until now he hasn't dated anyone but there is a girl that he is interested in In other words he attends the same high school as the protagonist's older brother and is friends with him

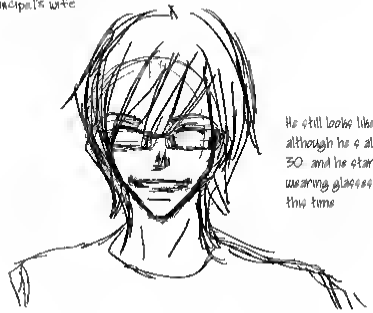


He has a feminine looking face and is the nicest person in this story

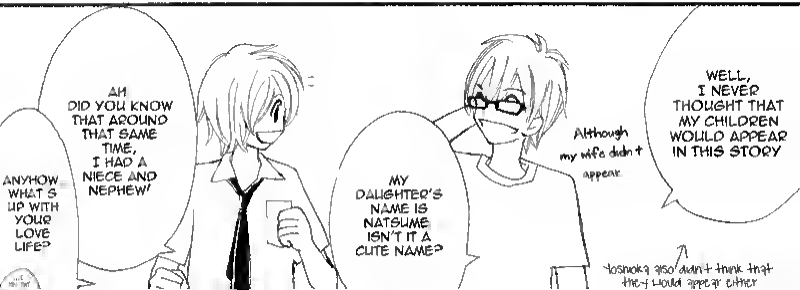
His hair is curly and white

SEVENTH CHARACTER PROFILE CRAM SCHOOL TEACHER

Masamichi Nao is the vice principal of a private school (29 years old) He's been working at the cram school ever since he was in college and just stayed Even now everyone goes to him to seek advice He has a girlfriend who is a tad selfish She is two years younger than him He seems to have a debt of gratitude toward the cram school principal's wife



He still looks like this although he's almost 30 and he started wearing glasses around this time



AH DID YOU KNOW THAT AROUND THAT SAME TIME, I HAD A NIECE AND NEPHEW!
ANYHOW WHAT'S UP WITH YOUR LOVE LIFE?
MY DAUGHTER'S NAME IS NATSUME ISN'T IT A CUTE NAME?
Although my wife didn't appear
WELL, I NEVER THOUGHT THAT MY CHILDREN WOULD APPEAR IN THIS STORY
Yoshioka also didn't think that they would appear either

IN A LOT OF WAYS, THIS SERIES HAS BECOME VERY IMPORTANT TO ME.
I HOPE THAT ALL OF YOU HAVE ENJOYED READING THIS. WELL, UNTIL NEXT TIME!
THERE WERE A LOT OF THINGS I WASN'T ABLE TO TALK ABOUT, BUT I ENJOYED DRAWING THEM!
